### **GERMANY WAKE UP!**

#### **Amazing Polly on 07/20/2021 - Globalist Science 1 - The takeover of power after World War II**

7 minutes of original intro, then a replay of a video in July 2020 about the post-WWII effort to take control of science through control of the journals. 'Ghislaine Maxwell's father, Robert Maxwell, was right in the middle of occupied Germany and acted as the interface for all incoming and outgoing information. I'm talking about NASA, China, cybernetics and how that relates to today.'

#### **Amazing Polly - dated 07/28/2021 - I'm so fed up with the Corona Virus.**

The top lies of the Corona Virus (mixed with digs & documentary & series recommendations.)

'Have they isolated the virus at all? The PCR tests are useless to detect infections.

'Some 'experts' are lunatic fools and so are the people who listen to them.

Black fungus on the test sticks?

We live in an ANARCHY of EUGENICS.'

## **More Amazing Polly from 04.08.2021 - Make happy slaves**

Polly pulls more strings from her last video about the Quandts. They miss the days of slave labor, Polly thinks. In this video she talks about the slave-using Nazi corporations linked to the Quandt's and their impact on today's world - the Great Reset, sustainable development, funded science, human testing in hospitals and research centers and more.
